

**Экспериментирование
Волшебница вода.
Свойства воды**

**Она и в озере, и в лужице
Она снежинкою над нами
кружится,
Она и в чайнике у нас кипит
Она в реченьке бежит, журчит**

A close-up photograph of a person's hands, wearing a dark blue long-sleeved shirt, cupped together and holding a small amount of water. The water is clear and has some ripples on its surface. A thin stream of water is dripping from the bottom of the hands. The background is dark, making the hands and water stand out. Overlaid on the image is a question in bright yellow, bold, sans-serif font.

**Для чего нужна вода
всему живому?**

**Человек пьет воду,
моется,
поливает огород,
избавляется от грязи с
помощью воды,
перевозит грузы.**

Вода нужна растениям

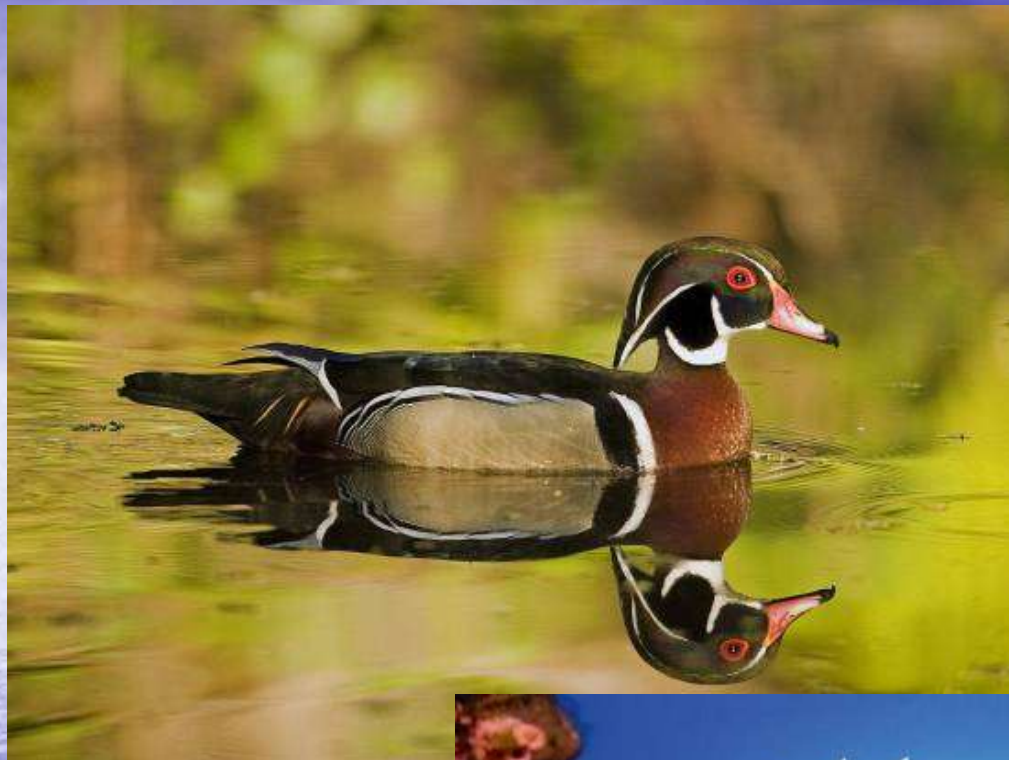

ЖИВОТНЫМ

насекомым

птицам

рыбам

A photograph of an orca (killer whale) swimming in deep blue water. The orca's mouth is wide open, showing its pink tongue and teeth. The water is bright blue with some white foam from the orca's movement.

**Без воды
живые существа
не смогут выжить**

ВОЛШЕБНАЯ ЛАБОРАТОРИЯ

Наша планета на 72% состоит из воды

Где встречается вода?

море,

река,

озеро,

болото,

**Явления неживой природы
связанные с водой.**

роса,

туман,

снег,

лед,

иней

ТРИ СОСТОЯНИЯ ВОДЫ

A close-up photograph of water being poured from a clear glass pitcher into a clear glass. The water is captured in mid-pour, creating a dynamic splash and bubbles. The background is a soft, out-of-focus blue. The entire image has a blue color cast.

Вода - жидкая

A close-up photograph of a silver kettle with steam rising from its spout. The steam is captured in a way that makes it appear as if it's glowing or emitting light, creating a dramatic, ethereal effect against a dark background. The kettle's handle and lid are visible in the foreground, and the steam billows upwards and to the right.

**Вода при нагревании
превращается в пар**

**Пар при охлаждении
превращается в воду**

A landscape photograph featuring a large, bright white cumulus cloud in the upper left and center of a clear blue sky. The foreground shows green rolling hills and a rocky outcrop in the bottom right corner. The word "Облако" is written in white, bold Cyrillic letters across the middle of the image, partially overlapping the cloud and sky.

Облако

Дождь

**Зимой капельки воды
превращаются в снежинки**

A stack of several clear, rectangular ice cubes is shown on a white surface. The cubes are arranged in a slightly irregular stack, with some in the foreground and others behind. The background is a solid, light blue color. The lighting is bright, creating highlights and shadows on the facets of the ice cubes.

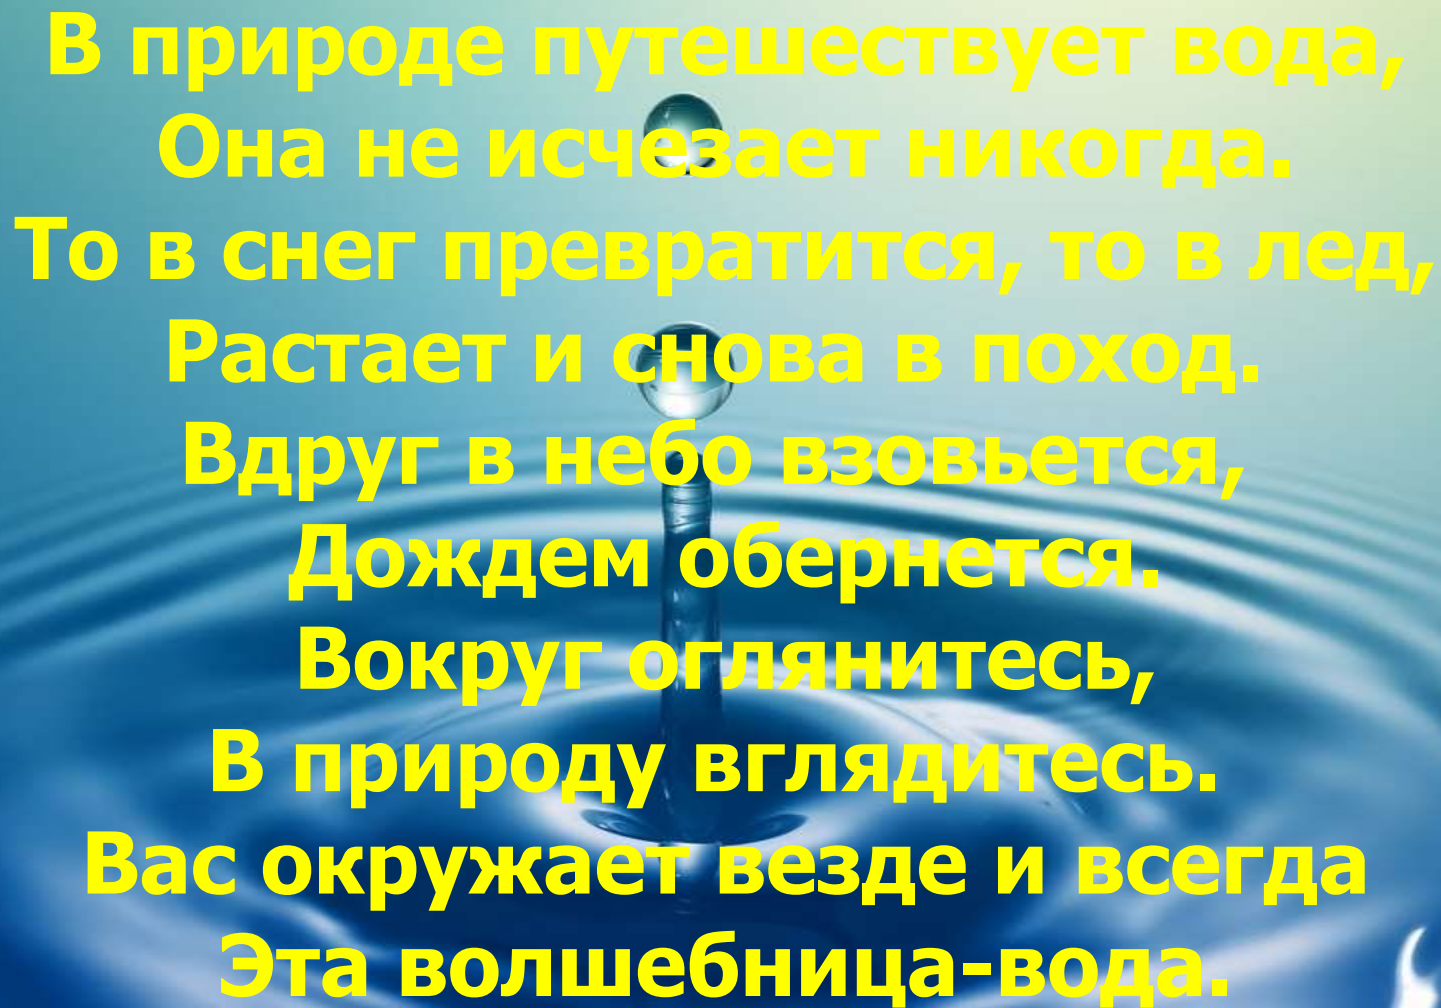

**Вода при замерзании
превращается в лед**

A blue-tinted photograph of a melting ice cube on a surface covered in water droplets. The ice cube is the central focus, showing its facets and the liquid water it is melting into. The background is a dense field of small, glistening water droplets of various sizes, creating a textured, shimmering effect. The overall color palette is monochromatic, consisting of various shades of blue and white.

В тепле лед тает

Круговорот воды в природе

**В природе путешествует вода,
Она не исчезает никогда.
То в снег превратится, то в лед,
Растает и снова в поход.
Вдруг в небо взовьется,
Дождем обернется.
Вокруг оглянитесь,
В природу взглянитесь.
Вас окружает везде и всегда
Эта волшебница-вода.**

A photograph of a waterfall in a forest. The water is cascading over large, moss-covered rocks. The surrounding area is lush with green foliage and trees. The text "До свидання!" is overlaid in red on the image.

До свидання!
